

CAMPUS MINISTRY CARE & CONVERSATION

For students who are feeling stressed, adjusting to life changes, or just looking for someone to talk to.

All students, of any religious, secular, or spiritual identity, can seek support from Campus Ministers as they process life experiences of any kind, such as: transitioning to college and other major life adjustments, grief and loss, life direction and purpose, academic stress, interpersonal conflict, identity exploration, finding community, and spiritual/religious questions and practices.

We welcome your full identity into these one-on-one conversations and hope to be a companion to you in navigating emotions and challenges. Scan the QR code or stop by our office (STCN 120) to connect with a Campus Minister.

RESIDENT MINISTRY

Resident Ministers are also available for ongoing conversations and holistic support for students living in SU's residence halls and on-campus apartments.
