Curriculum Notes

- All major courses must be graded C (2.0) or better to progress in the program.
- Students enter the program as a cohort, or class, and progress through their courses of study together. Courses in the curriculum are integrated and must be taken in order.
- Students are expected to be available the first day of the quarter through the last day of finals to meet course requirements.
- Clinical courses are scheduled on a full-time basis and follow the academic calendar for university closure and holidays observed.
- Clinical placements are arranged and randomly assigned based on specific criteria for each site.
- Some clinical placements are outside the state of Washington or the Greater Seattle area.
- Health requirements for the program and clinical placement can be found on our website at: <https://www.seattleu.edu/nursing/student-life/health-requirements/>
