

THE FUTURE OF FOOD

Join us in a discussion with author **Timothy Wise** on his new book *Eating Tomorrow: Agribusiness, Family Farmers and the Battle for the Future of Food*.

Timothy A. Wise is the director of the land and food rights program at the Small Planet Institute and a senior research fellow at Tufts University's Global Development and Environment Institute. He will share his insights with us on family farming and feeding the world in the context of climate change.

Tuesday, October 29th

12:30pm to 1:20pm
