### **DIRECTOR THE NEW FACULTY INSTITUTE (NFI), SEATTLE UNIVERSITY**

I directed NFI in 2018, 2019, and 2021 and in 2020 and 2022 I co-directed NFI with our center director NFI is a 2 to 3-day orientation for new full-time tenure-track, tenured, and term faculty.

In my capacity as director and co-director of NFI, my roles have included:

- Convening a planning team, representing faculty from across the university
- Interfacing with the President, Provost, and Office of Diversity and Inclusion to align our programming with the strategic initiatives of the university
- Designing and implementing a program that introduces faculty to the tenets of a Jesuit education and sets the course for their professional development as scholars and teachers at Seattle University

#### NFI Goals

1. To build community across campus through cross-disciplinary professional development.
2. To engage the Jesuit and Catholic mission of the university from our own identities and perspectives.
3. To explore the art of balancing teaching, scholarship, and service.
4. To model effective teaching practices in the Jesuit tradition.
5. To ground the roles of faculty in an inclusive framework.

In follow-up sessions:

6. To gain an awareness of the ethical and applied legal context of working in higher education.
7. To discuss University-level expectations around rank and tenure for tenure-track NFI participants.
8. To discuss ways to thrive as a term faculty member at SU.

## **MEMBER**

### **SEATTLE UNIVERSITY STRATEGIC PLANNING STEERING COMMITTEE, 2018-2019**

I was a member of the Strategic Planning Steering Committee, charged with mapping a 5-year strategic plan for the university. My responsibilities included:

- Member of the Faculty and Staff Engagement Task Force and Institutional Identity Articulation Task Force. Responsibilities included:
  - Designing open fora, confidential listening sessions, anonymous surveys, and individual meetings faculty and staff, informed by best practices for inclusive outreach
  - Facilitating or co-facilitating over a dozen fora and listening sessions for each taskforce
  - Co-drafting a task force report for each committee
- Integrating findings of our task forces to the following phases of strategic planning design, informing the final 5-year Strategic Plan.

## **TEACHING**

---
