PROFESSIONAL EXPERIENCE

Licensed Marriage and Family Therapist

Business Owner/ You Are Beautiful, PLLC, Bremerton, WA June 2017 to Present

- Create individual, couples, and family centered treatment plans. Provide culturally aware therapeutic treatment by using appropriate theories. Assist individuals and families with finding hope and meaning in past experiences through the use of family systems theories. Provide reduced cost or no cost therapy to individuals and their families. Create and maintain a business structure for the therapeutic setting. Participate in community events as a speaker and workshop leader.

Mental Health Therapist Clinician II/Child and Family Therapist

Catholic Community Services, Tukwila, WA

March 2017 to July, 2017

- Listen to the client and assess their strengths, needs, and goals. Work with all of the client's systems (e.g. family, school, community, etc.) to promote the best outcome. Create client and family centered safety and treatment plans. Provide evidence based and culturally aware therapeutic treatment by using appropriate theories. Assist families with other goal-based needs such as; housing, food, and medical care. Complete clinical intakes and clinical intake documentation required by Medicaid.

Mental Health Therapist Clinician II /Child and Family Therapist (Internship)

Catholic Community Services, Tukwila, WA

September 2015 to March, 2017

- Listen to the client and assess their strengths, needs, and goals. Work with all of the client's systems (e.g. family, school, community, etc.) to promote the best outcome. Create client and family centered safety and treatment plans. Provide evidence based and culturally aware therapeutic treatment by using appropriate theories. Assist families with other goal-based needs such as; housing, food, and medical care.
