Formatting & Submitting Assignments

All work will be submitted via the Canvas course. Details about submission type are included in the assignment descriptors. Typically, it will be a document submission that is limited to doc and docx documents. Further details will be in the assignment descriptors.

APA Style: For the online CMHC program it is expected that all your in-text citations and your list of references follow the *APA Publication Manual* (7th edition) since it is the standard referencing system for this discipline. It may be different from other systems you have used, so follow the Manual's citation guidelines carefully. This is an opportunity to demonstrate your attention to detail. To help you, you can use [Purdue University's Online Writing Lab \(OWL\)](#) pages on APA, and if you're having difficulty, arrange to meet with me and we can go over any trouble-spots together.

Academic Integrity Tutorial

Please familiarize yourself with the university's academic integrity policies by visiting the [Resources for Students](#) page in the university's Academic Integrity website where you will find the Academic Integrity Tutorial.

Assignment Deadline Policies

Assignments must be submitted by the set deadlines. Since professors block out times in their schedules specifically for grading your work, the program faculty have established a policy of not accepting late work. We also understand, however, how demanding your work and school and life are as well. As such, we do allow late work to be accepted with a 10%/day grade reduction (including weekends). The deduction will be taken from the maximum number of points available on the assignment. Exceptions or extensions or modifications to these penalties may be made only in the event of rare and extenuating circumstances. Every effort should be made to let your professor(s) know about your extenuating circumstances before the assignment is due. Any assignment submitted three days after the due date will receive zero points.

Discussion Posting Deadline Policies

If there are discussion postings, there will be a 10% deduction off the total discussion points possible (rounded to the nearest half point) for each day late on any submission of a main post or a response post. No credit will be given for main or response posts made three days after they are due.

Workload in this Course

Allow yourself at least 9 hours a week for this course for a.) taking in content such as readings, lectures, videos, website visits, etc. and b.) for the weekly activities such as assignments and discussions. I have tried to ensure that the workload is evenly distributed throughout the course but there will always be some variation. In weeks that are lighter, I suggest that you get a head start on upcoming large assignments. Reminders for these upcoming assignments are at the bottom of the first page in each module and I will remind you as well in my weekly wrap-ups. In acknowledgement of your busy lives, I do not hide upcoming work in this course, so please look ahead and plan accordingly.

Academic Resources to Support Your Learning

I encourage you to explore the services below and to work on the assumption that you'll always be developing some new strategies that will help you become a more flexible learner. You can find many of the resources below on the [Library & Learning Commons](#) website.

- **Writing Center:** The [Seattle University Writing Center](#) supports SU students from all levels of writing expertise, voices, experiences, and writing practices to achieve their writing goals. We seek to provide an accessible, anti-oppressive, and collaborative space for learning and growth through one-on-one peer consultations. The peer consultants are also students who engage in intensive study and hands-on practice to provide thoughtful feedback and to share writing strategies. Consultations are available at any stage of the writing process, from brainstorming, organizing, and developing rough draft to revising and editing in later drafts. The Writing Center offers appointments in various modalities: in-person and online, synchronous, and asynchronous. University Policies

- **Support for Students with Disabilities:** Seattle University values diverse types of learners and is committed to ensuring that each student is afforded an equal opportunity to participate in learning experiences. Disability Services (DS) works with students with disabilities to provide reasonable accommodations to support their learning experiences. Disabilities include “invisible disabilities,” such as a learning disability, a chronic health problem, or a mental health condition. This could include any long-term effects of COVID, even after recovery (“long-COVID”), if a health care provider determines it is a chronic health problem. If you have, or suspect you may have, a disability that may interfere with your performance as a student in this course and have not yet been assessed by DS, please contact DS staff at DS@seattleu.edu or (206) 296-5740. Disability-based accommodations to course expectations can be made only through this process and must be approved by DS before implemented in a course. I am committed to working with you, so please consider meeting with me to discuss the logistics of implementing any accommodations approved by DS.
- **Notice Regarding Religious Accommodations:** It is the policy of Seattle University to reasonably accommodate students who, due to the observance of religious holidays, expect to be absent or endure a significant hardship during certain days of their academic course or program. Please see, [Policy on Religious Accommodations for Students](#).

Seattle U remains committed to providing a safe and equitable learning, living, and working environment. Seattle U offers emergency, medical, and other support resources, as well as assistance with safety and support measures, to community members who have experienced or been impacted by sexual misconduct. Seattle U requires all faculty and staff to notify the University’s Title IX Coordinator if they become aware of any incident of sexual misconduct experienced by a student.
