

**Subject: Orientation – June Updates and Reminders**

**Message:**

Hi Rudy,

June is here and the sun is shining in Seattle! Please read below for updates and reminders about Orientation.

### **UPDATES**

- **Virtual Events Schedule – Now Launching June 5!** We planned to launch our virtual events schedule on Monday, June 3. Unfortunately, we have a delay due to a technology issue and will launch the virtual events schedule on Wednesday, June 5. We will send you an email with updates about sessions, which you'll be able to sign up for through the Orientation Events tab in your Orientation Portal. Thank you for your flexibility and patience!
- **Start Your Roommate Search Today!** Roommate searching becomes available after you complete your housing application. Although the priority deadline has passed, Housing Plans are still being accepted and are a required task on your New Student Checklist. Please complete yours ASAP if you have not yet done so – this task takes about 15 minutes.
