### PROGRAM DEADLINES:

Fall Quarter (priority): March 1

Fall Quarter (final): August 1

Winter Quarter (January start): November 1

Spring Quarter (March start): February 15

## ABOUT THE PROGRAM

---

The BA in Interdisciplinary Arts with Specialization in Arts Leadership is designed for students who want to create, manage, or administer creative activities within a specific arts discipline. The program combines classroom learning with an internship in a local arts organization so you're ready for life after graduation, whether you want to run your own business as a working artist or work at a museum or theatre. Throughout the program, students will prepare for artistic lives where they take control of their careers by understanding both the creative and business sides of being an artist and demonstrate responsibility when exploring the relationship between creativity, performance, artistic business opportunities, and social justice.
